Add Some Adventure!

Entertain your staff, enjoy an outing with clients, increase productivity with innovative team building activities, or celebrate a special day! At San Diego Segway Tours by Wheel Fun Rentals, we make sure your event is one that everyone will be talking about for a long time! Allow us to bring our fantastic, experienced staff and a new fleet of Segways to your next event to add a burst of fun and excitement.

We offer a multitude of packages for a wide variety of clients, from small group sessions to full day events. Segways are an innovative tool that can motivate, inspire, reward, and entertain any group. Call (805) 650-7770 or email us at segway@wheelfunrentals.com to learn more about our group events.

The flexibility of our operation allows us to design a custom package specifically for your group! Segway makes a great main attraction or add-on to an existing event.

We're Mobile

Located on North Harbor Drive, just off Pacific Highway, our Segway tours launch from the Wyndham San Diego Bayside Hotel, the perfect location for a private tour to see what San Diego has to offer. We are also completely mobile! Our hospitality vehicle full of Segways and event staff will meet you at any office, hotel, or venue of your choice. We do events in parking lots, tennis courts, in ballrooms, at parks, and even small spaces like hallways or boardrooms.

Safe, Fun, and Easy to Learn!

Targeting everyone with a taste for adventure, riding a Segway is an activity that the vast majority of people are capable of undertaking. Our event crew provides all the equipment and training, so your experience is safe and positive. Riders must be at least 14 years old and weigh between 100 lbs and 260 lbs

Large and Small Groups Welcome

Segway events provide a unique and innovative team building experience. We can accommodate party sizes varying from 1 to 100.

Sample Options to Choose From

Segway Tours

Take a Segway Guided Tour around a scenic route, stopping to view sites and learn fun facts about the city. Our knowledgeable tour guides use wireless communications systems so guests hear the narrative while in motion - not having to pull over to listen to your tour guide means more ride time for you and your team!

Demo Rides / Obstacle Courses

This activity is the perfect addition to your next large company event. We teach each attendee to ride, then set them free for a short ride through a demo course. This program allows all event attendees to get a 5-10 min. ride on a Segway. And there are prizes for the best and worst riders!
